NOT SURE OF YOUR SIZE?

Our measurements are taken from standard UK sizes. If your size is above or below our size guide or you are in between sizes, we recommend using our [Made-To-Measure](#) service. This allows you to input your measurements to ensure a perfect fit! Please see our [Made-To-Measure](#) service for more details.

Measuring advice

1. Bust: Measure under the arms at the fullest part around the bust horizontally
 2. Waist: Measure around the natural waistline
 3. Hips: With the feet together measure around fullest part
 4. Inside leg: In bare feet take the measurement from the top of the inside leg and measure down the inside leg to the floor
- Measure against your body rather than over your clothes as it will give a more accurate result.
